ABOUT

ISA 25 to 100 mm · IS 2062

Mild steel equal angles from 25x25x3 to 100x100x10 in ready stock for fabrication, sheds, trusses, gates and grills.

DESCRIPTION

Equal angles are the workhorse of light fabrication: trusses, purlins, gates, grills, brackets and tower work. We stock the common sizes in 6 m and 12 m lengths.
